

Weekend Information

So here's what's happening over the festival weekend, with a handy map of Gower showing the two key locations for the weekend; Festival Base Camp, and the Worm's Head Hotel. The festival team will be at Pitton Cross Campsite in the mornings and in the evening we'll be at the Worm's Head Hotel.

Gower Crag Guide

These crags have been hand selected for the festival, and a topo for each will be available from base camp Saturday & Sunday morning for a small donation to either South Wales Bolt Fund (SWBF) or the RNLI.
